## TESTIMONIALS

*"Best MC / Comedian we've had. Everyone was laughing from 18 years to 80. He read the crowd beautifully and did not go too far. I have no other than option than to recommend to my committee to have you back again."*

**Brian Hawkins - LU Simons Builders**

*"A huge thank you for being MC/Comedian at our recent EndoVac Pure launch in Melbourne, Brisbane and Sydney. Endodontists are a breed of their own and the level of knowledge and understanding you picked up about our industry with only a very small brief was absolutely amazing. The way you got to know your audience and got them to interact with you using comedy was awesome even the grumpy ones couldn't help but laugh!!! Thanks again Des .....you are a true professional!"*

**Steph Green - Endovac**

*"Hil-ar-ious"*

**Carly Parkinson - Hudsons Coffee**

*"Des Dowling was a fantastic host for the REIA National Awards. He had the audience right there with him the entire night and his improvisation through a technical glitch made it feel like it was all done on purpose. He was funny, professional, flexible in dealing with last minute changes and a pleasure to work with."*

**Leanne Medeiros - Real Estate Institute Australia**
