SPEAKER DETAILS

Josh Staley creates live performance art that seems utterly impossible. He is the winner of multiple awards and achievements, including the Australian Junior Champion of Close-up Magic. Josh has appeared on TV, performed across Australia and internationally, and is a Guinness World Record holder, helping lead a team of magicians to break the world record for 'longest magic show'. His unique skills are constantly in demand, whether as a corporate performer, as an entertainer at private parties or at sell-out shows such as the Melbourne Comedy and Magic Festivals.
